### *Look forward to your future.*

At The **Tanglewood Group**, we believe in living out retirement your way. When you were a kid, you couldn't wait to grow up. You longed for the time when Mom and Dad would let you go out on dates. Getting your driver's license. Moving into your own home and making your own rules. But with that independence came responsibility. Chores. Bills. Stress.

Your children are raised. You've toasted your final day at the office. You're ready to mow your last lawn and scrub your last tub. You're ready to start looking forward to your future again.

Whether you're looking to simply give up the hassles of homeownership, or you realize that you're starting to need assistance with some daily activities, **Tanglewood** offers a living option and environment that promotes your independence while giving you the opportunity to explore new hobbies and focus on family without chores or stress getting in the way.

*The environment you want.*

*The care you need.*

Maybe you love the bustle of the center of town, with people on the move, cars on the go, business and shopping options close by. When you take a walk, you want to see people, see the world, and connect with your community. We have a residence for you.

Or maybe you like the calm of a more peaceful location, with lush trees, the sounds of nature and the smell of fresh air. When you take a walk, you want to enjoy the beautiful world around you and connect with your own thoughts or a friend. We have a residence for you, too.

Whether you're looking for bustle or calm, rural or city, total independence or a little extra help, The **Tanglewood Group** has the right place for you.

The Tanglewood Group is proud to accept long term care insurance, and residents stay put as they spend-down for Medicaid - so no matter your level of care, or your budget, you'll fit in here.

Look forward to your future again with The **Tanglewood Group**.

A large striped awning covers the ground-floor entrance area. To the right, a red awning with the word "Tanglewood" in script is visible. A set of stairs with a red metal railing leads up to the entrance. A large tree is on the left, and a flowering bush is in front of the building. The sky is blue with light clouds.

## TANGLEWOOD DAY & RESPITE SERVICES

The **Tanglewood Group** understands that sometimes, you just need a break. If you're the primary caregiver of a senior, you might struggle to find time for yourself. And if you're a senior, sometimes you simply need time to have a little fun and socialize with your peers.

That's why we offer day services and respite care. Visitors will receive the

same care and attention on which **Tanglewood** staff prides themselves, while caregivers can take a much-needed day off. And while all of our assisted living properties — Tanglewood Manor, Frewsburg Rest Home and Memory Garden — offer short-term, daily respite care services, we have several properties and programs dedicated solely to non-residential, daily assistance and socialization.
